HERE'S THE FINE PRINT:
Before signing up for a class, please check your schedule and read our class policy. To be fair to our teachers and other students, we must remain firm on our registration and cancellation policies.

Class size is limited to 6 to 8 students, so register as soon as possible. Full payment of class fee is required at time of registration. Refunds are given if you notify us no later than one week prior to the start of the class. Patchworks reserves the right to cancel classes due to insufficient enrollment. If we cancel a class your money will be refunded. Lists of other tools and sewing supplies are available at time of registration. Most supplies are available for purchase at Patchworks. Machines are available for use during class. Please let us know when signing up if you require a class machine. (Please note that most classes require homework that involves the use of a sewing machine!) Beginning classes do not require any quilting skills. Intermediate classes assume you have taken a beginner's class and know how to rotary cut and finish a quilt. Ask which classes would be best for you.

Patchworks will be closed Saturday, May 26 and Monday, May 28 for Memorial Day celebration. We wish everyone a safe and happy holiday.
